Sellation 6"

Adonis 6"

Custom 6"

Material:

The strainers are cut from **12ga. stainless steel**. (The equivalent thickness of two dimes stacked together or .1046 of an inch to be exact.)

Our Strainers have several finishes and the bases come in several different colors.

The base is made **entirely out of aluminum** for added durability.

The drain design incorporates a **unique flush fitting strainer** with no visible screws for a sleek look.

Our drains add style and personality to your shower for many trouble free years to come.

Warranty Information:

Our products carry a three year warranty on the finish and a **limited lifetime warranty** on parts.

Custom Options:

Custom colors & designs are available upon request.

Below are examples of our aluminum base design.

Square Base

Round Base

Call for inquiries toll free at: 1-888-757-7105

Easy 3 Step Process:

1. Choose base shape.
2. Choose strainer design.
3. Choose strainer & base color.

Color Options / Finishes:

* Actual Colors may vary.

* There is no polished or brushed finish available for the base.
